TPA's Main Purpose:

- 1. Preserve Our Water Quality**
- 2. Maintain Our Dam**

The TPA is an all volunteer organization that operates from membership dues and donations.

Your membership in or donation to the TPA will help cover the costs of:

-  Maintaining and repairing the dam...without the dam we wouldn't have the pond!
-  Providing Courtesy Boat Inspections.
-  Conducting watershed surveys that will help protect the quality of the lake.
-  Educating residents and boaters about the hazards of invasives: Eurasian water-milfoil, Northern Pike and other species that could harm the pond.
-  Maintaining and replacing all buoys on the pond.
-  Producing an annual newsletter and hosting a website to keep members and residents informed.

Currently about **one third** of Torsey Pond property owners are members of the TPA...
The pond needs **EVERYONE** to be a member!
