### TPA's Main Purpose:

1. Preserve Our Water Quality
2. Maintain Our Dam

The TPA is an all volunteer organization that operates from membership dues and donations.

Your membership in the TPA will help cover the costs of:

-  Maintaining and repairing the dam...without the dam we wouldn't have the pond!
-  Supporting the Courtesy Boat Inspection Program (CBI) with paid and volunteer inspectors at the public boat launch.
-  Supporting initiatives to maintain and improve the water quality, such as watershed surveys, erosion control and water quality testing.
-  Educating residents and boaters about the hazards of invasives: Eurasian milfoil, Northern Pike and other species that could harm the pond.
-  Maintaining and replacing all buoys on the pond.
-  Producing an annual newsletter to keep all members and residents informed.

The pond needs **EVERYONE** to be a member! Please use the form below or on our website and join us today!
